Principal's Message

Hello Queen Elizabeth families!

As our school year draws to a close, I would like to take this final opportunity to thank everyone - staff, students, and parents alike who have worked so hard to make this yet another successful year at Queen Elizabeth. It continues to be a genuine pleasure to serve this amazing school community.

I would like to especially thank all of the parent/guardian volunteers who have come out to support our students and staff throughout the year on our many school trips and extracurricular activities here at Queen Elizabeth.

I would also like to recognize and appreciate the great work of our School Council. Please remember that the Council is always looking for more parents/guardians to come out to the meetings and have a voice on the activities that are happening at your child's school. This fall will be no exception, so please plan on coming out to join us at our first School Council meeting in September.

Report cards will be coming home in a few weeks. Please take a few minutes with your child to celebrate their successes and set goals for next year. As always, we will remain dedicated to providing your children with a caring environment with high academic standards where each and every child is accepted and supported in all of their efforts to achieve success.

Thanks again to everyone for your consistent and tireless efforts on behalf of our school community. From my family to yours, I wish you a wonderful summer break – and I will see you all in September!!

Yours in partnership,

Drew Beaton
Principal

June is “Strawberry Moon” – Fode’Mini-Giizis (Anishinaabe First Nation)

Strawberry Moon is the sixth month of Creation, also known as the Heart Berry Moon. This berry is the first fruit to be eaten during this time. The strawberry has the healing power to balance the blood, when eaten or taken as a team. At the time of the Strawberry Moon, the Anishinaabe pick this fruit with great reverence to its shape, colour, texture, and sweet aroma. The strawberry can be a fasting medicine, when prepared in combination with other plants by medicine people.

Activity Alert! Outdoor Family Fun

Cloud Watchers

Take some time with your kids to look up and see the clouds. Very little ones can spot shapes or animals in the clouds.

Lay on your back and look up. What do you see?

Clouds! Are they fluffy and white? Do you see any shapes? Maybe you can spot a bunny or a long-necked giraffe. Can you make up a story about what you see?

Cloud watching can be calming for parents and children. As you lay on the ground, your breathing may slow and your focus on the clouds floating in the sky may encourage you and your kids to take a few calming breaths before you carry on with your busy day.

Character Trait for June: Perseverance

EQAO

The Grade 3 and 6 provincial testing took place at Queen Elizabeth in the last week of May. Our students in both grades worked exceptionally well and we are extremely proud of all of them. We would like to extend a very special thank you to all the volunteers who were able to come in and scribe for our students. We could not have done it without you!

Bullying Prevention Measures

At Queen Elizabeth, we take the issue of bullying extremely seriously. We believe that everyone has the absolute right to be safe and feel safe at our school, and we consistently strive to make our school environment a secure place for everyone. Students are given consequences such as restricted recess times or community service for smaller issues, and they are suspended for more serious infractions. Research indicates, however, that sometimes children don't report when they are being bullied, so we rely on you for information. Please call Mr. Beaton at the school if you ever think your child is either being bullied or is bullying others.

Safe Arrival

If your child is going to be absent from school, for any reason, please use your SchoolMessenger account to notify the school of the absence. If we do not know why a student is absent, the safe arrival program will call you to notify you of the absence and to get clarification. If your child arrives at school late, please sign them in at the main office.

For those of you that have not already registered for SchoolMessenger to report your children's absences online, here are the instructions:

- To create your new account and register your children for the automated system, please visit www.studentabsence.kprdsb.ca
- If you use the mobile app, please search for SchoolMessenger (one word) on the Google Play Store or the Apple App Store.
- Once you have registered your child, you will be able to inform the school of your child's upcoming absences using any of the following methods:
 - www.studentabsence.kprdsb.ca
 - 1-844-434-8119
 - the **SchoolMessenger** mobile app on your cell phone or tablet.

Thank you so much for your collaboration in reducing our secretarial workload and keeping our students safe.
